Come to Quail Haven Farm to experience a complete immersion in the world of horses. Each day we are focused on horses. Experience all the joys and fantasies of being around horses while learning tons about them and riding them. Campers will be involved in the following:

**Horse Care:** Each camper is assigned their own horse for the week. Campers learn about proper care of the horse, including grooming and saddling their horses and will be responsible for cleaning up after themselves, their horse and tack.

**Horseback Riding:** Campers spend a good deal of time riding their horses.

Daily riding activities include group lessons, horseback games and exercises and a mock show at the end of the week

to allow parents and friends to see what they have learned.

**Arts and Crafts:** Arts and crafts classes are held daily. Crafts include working with clay, decorating horse shoes and other surprise horse-y crafts!

**Camp Spirit:** Points are awarded for attitude, courage, determination, respect of others, helpfulness/ kindness/sharing of talents with others. Campers are awarded ribbons for their efforts. Campers are encouraged to share their talents with everyone so that every camper gains self-confidence and pride in undertaking so many new challenges. At Quail Haven we want everyone to go home a winner!
